

## Pictorial

### **CITY DOG COUNTRY DOG**

Author: Sally Harding

Publisher: Wakefield Press

RRP: \$24.95

THIS is a cute, pictorial view of the lives of dogs in both the city and the country.

Dog lovers will adore the fabulous images which cover every aspect of a dog's life.

A true tribute to our best friend, this book shows the adaptability, loyalty and unconditional love that dogs provide.

Sprinkled with doggy facts and pooch profiles, *City Dog Country Dog*, is a joy to read.

At the end of the day, the eyes tell it all. Black, white or brindle, purebred or mongrel, there's something in every animal pictured that will resonate with readers.

This tiny, coffee table book is something you will want to flick through time and again.

If you aren't already owned by a dog, this book will certainly have you wishing you were.
